BRIEF INTRODUCTION

Aspiration

We aspire to carve a niche for ourselves in the global textile market while focused on quality but not losing the sight of economy .

Dedication

We are dedicated in interacting with our global customers to constantly develop a superior concept in an economical and businesslike manner thus enhancing the bottom lines of our customers and ensuring reasonable return on our effort and doing it all in a manner which is beneficial to the society and friendly to the environment.

Achievement

Ever increasing depth and breadth of our product range ever wider circle of global customers, now in 30 countries. Turnover several order of magnitude greater compared to our earlier years recognized quality, as evident by our various certifications.

Now in todays in highly competitive business environment direct sourcing is the key to growth and success.

We believe in a very simple philosophy if you grow, we grow, therefore your growth is our success, and lets grow together.

BRIEF INTRODUCTION

"In January 1989 a new star rose in the galaxy of textiles manufacturers of Pakistan and soon it became a star to be reckoned with. Its name was Polani Textiles.

Why it became so formidable so soon? The answer is simple, Quality! From its very inception Polani made an unwavering commitment to quality. Its credo is "Success & failure of companies is dependent upon quality or lack of it. Therefore there will always be quality in Polani's products". The company has stood by its credo rigorously & today result is obvious to anybody who cares to take a look.

The manifestation of the quality and social responsibilities are the different certificates. The other is the rapidly expanding roster of our customers.

Polani products speak expressively for their quality. From the glorious designing tradition to the soft, bright touch of spring, we cater to the ever-changing vogue.

Polani produces merchandise primarily for the export market. This includes; USA, Europe, UK, Australia, New Zealand, Russia and The Middle East.

So if you are looking for a reliable source of quality products what better than to contact Polani Textiles.

PRODUCTION FACILITIES

Polani textiles manufacture terry towels, home textile & other products of surpassing excellence. Our products are manufactured in greige and finished form in Plain, Dobby & Jacquard designs. Polani Textiles export approximately 500 - 550 tons per months, while domestic market consumers between 60 - 70 tons per month.

Polani production facility is spread from griegie-to-packaging. It comprises the following machines.
